Doggy Dog World Rescue was founded by Shelley Osgood, owner and operator of **Doggy Dog World Grooming** in Littleton, located at 4550 #14 South Kipling Street, since 1998.

Shelley created the rescue group in 2008 to rescue dogs from high kill shelters and find suitable families to provide forever homes for these dogs that would otherwise be euthanized. Doggy Dog World Rescue does not have a shelter facility, but instead utilizes foster homes. Our foster homes provide food, shelter and love for our rescue dogs in an attempt to rehabilitate them until they are adopted into their forever homes. Visit our site for available dogs and cats at [www.doggydogworldrescue.com](http://www.doggydogworldrescue.com)
